

FUNDRAISER FOR ANTONIO

Antonio Iapicca is a 15 year old Oakland resident and sophomore on the IHHS soccer team. Antonio was severely injured during a game when he was kned forcefully in the abdomen and suffered a severed pancreas. He was hospitalized at HUMC since September 19 and was released a few weeks ago, with episodes of being readmitted.

His recovery has been difficult and tenuous but is looking hopeful. The entire community including family, friends, peers, coaches, and local businesses have forged a united front and will continue to fight for Antonio and the Iapicca family. There has been resounding support and numerous fundraising efforts to help defray the financial struggles the Iapicca family has faced during this difficult time.

C2 Education of Franklin Lakes has pledged to help by offering a **FREE PSAT, SAT or ACT testing event** at its Franklin Lakes, Montvale, Ramsey and Wayne locations, which includes a private, individual consultation with a certified college counselor and a chance to win a \$1,000 gift certificate toward test preparation and/or tutoring.

Donations of \$50 are strongly encouraged! 100% of funds collected from this event will go to Antonio's family to assist with mounting medical expenses for his ongoing care.
